BESTRON® PREPAIR®
hot air circulation technology

AAF7003DCO Prepair® digital hot air fryer

- Unique PrepAir® technology for even cooking through fast circulating hot air
- Healthy and safe frying without oil, but also for baking, cooking and grilling without fat
- Fast preparation and no preheating time
- Capacity from approx. 4 liters to 700 grams of chips
- Unlimited variety: for fries and snacks, but also for potato products, meat, fish, vegetables, bread, cake, dried fruit etc.
- Digital display with Sensor Touch Control for programmable functions:
 1. Adjustable temperature up to max. 200 ° C.
 2. Adjustable timer up to 60 minutes with end signal
 3. Start, stop and pause
 4. Eight preset baking programs
- Safety function: automatic switch-off when the basket is pulled out
- Very easy to clean: the non-stick coated drawer and basket are dishwasher safe
